YOUR DATA CAN
ADD INTELLIGENCE
TO YOUR BUSINESS

DATA AND ANALYTICS

If you're not getting
the most from your
business-critical data,
you're not alone.

Many businesses struggle to **extract value from their data**. It can be complex to harvest data from modern platforms such as:

- ✓ databases
- ✓ API's
- ✓ spreadsheets
- ✓ social media
- ✓ IoT devices
- ✓ wearables

But it doesn't have to be.

IF, LIKE SO MANY BUSINESSES, YOU NEED:

- ✓ A cost-effective BI solution
- ✓ Access to your data anywhere, anytime, from any device
- ✓ To serve your data in a uniform manner to different audiences
- ✓ To scale your data delivery as your business grows
- ✓ To have the BI tools that will allow you and your team to drive business insights

Then we have the solution for you.

Whether your business is a start-up or an established corporate, DVT, together with Microsoft's industry-leading business intelligence platform, is your one-stop partner for empowering your business through data, analytics and business intelligence.

Our **experienced** and **certified business intelligence team** is ready to tailor a solution **specific to the needs** of your business.

JUST STARTING OUT IN BI?

Using the flexibility of Microsoft's Power BI business analytics platform, we will:

- ✓ Take your business rapidly from zero to actionable business intelligence with our BI Starter Kit and Agile engagement framework.
- ✓ Enable your business users to become self-sufficient in their informational needs.

Time for your existing intelligence to scale?

On-premise or in the cloud? No matter...

When your data demands scale, we modernize and build high-performing business intelligence solutions on the Microsoft SQL Server and Azure business Intelligence platforms.

BECOME A DATA-DRIVEN BUSINESS

CALL US TODAY and let DVT and Microsoft BI power up your data.
